

# Information Equipment for Exhibition Stands

April 7th-9th 2025

Clarion Hotel Air Stavanger

Our partner for stand equipment offers the following:

- The total wall system size is cc 99 x 220 cm per meter of wall.
- An internal 3 x 2 meter stand will have dimensions of 295 x 196 cm
- The booths are open between each other, with only the back wall available for hanging materials.

Only approved tape may be used to attach posters and other materials to the walls to prevent damage. Masking tape is also allowed. Other types of tape may be used if masking tape is applied underneath.

All exhibition walls and equipment must be returned in the same condition as upon arrival. If a rigging company is used, this exhibitor information must be forwarded to them. Additional labor required due to lack of cleanup, labeling, or relocation of goods will be charged to the exhibitor. Any damages caused by the exhibitor will also be charged accordingly.
